

A LA CARTE

WEDDING & EVENT FLOWERS

HERE AT LUMMÉ CREATIONS, WE ARE ALL ABOUT FLOWERS!

We create one of a kind floral arrangements inspired by the season. We specialize in refined, feminine arrangements with touches of whimsy and wilderness that create a perfect pairing of the natural with your event.

Our a la carte wedding package is perfect for couples who love Lummé Creations signature style, but don't require large arrangements or on-site setup. This option is ideal for clients who only need personal flowers, centerpieces and cocktail arrangements.

Our a la carte option is not well suited for couples who want very specific flower types, require an in person consultation or have more complex event design needs.

We understand better than anyone how stressful planning your wedding can be. With so many choices, so much conflicting advice and so little transparency when it comes to the actual costs of things, planning your wedding can quickly go from exciting to downright overwhelming.

We've streamlined the process of selecting your wedding flowers by offering a limited range of lush, organic arrangements made from both locally and internationally grown blooms, so choosing is easy. All we need is your color palette. Our pricing is transparent so you have the ability to create your own custom flower package while staying within budget.

Orders are available for pick-up during set times at our Highlands Ranch studio.

On the following pages you'll find everything you need to get started. Please don't hesitate to reach out if you have any questions.

We look forward to working with you!

FAQ

HOW ARE YOUR PRICES SO LOW?

We are so excited about the prices we are able to offer. We created a streamlined automated process for ordering, which helps us reduce the cost significantly. This process makes our job easier, faster and more efficient which means there is less cost involved in producing these stunning floral designs.

WHAT IS A VASE DEPOSIT?

All our vases and vessels that the floral were transported in are asked to be returned to our studio the following week.

We have a \$15 vase deposit associated with each vase arrangement. This means, you pay \$75 per centerpiece but by returning the vases after your event, you will receive \$15 back from each undamaged vase. So actually, you are only paying \$60 per centerpiece.

CAN I CUSTOMIZE ANY OF THE ARRANGEMENTS?

ABSOLUTELY! Minor adjustments can be made to color and flower selection without any extra fee. We can also adjust the sizes of the arrangements by doubling them if you are looking for larger arrangements.

Email us (lummecreations@gmail.com) to discuss your adjustment requests.

I SAW A VASE WHAT I WANT IN ANOTHER COLLECTION BUT NOT IN THE COLLECTION I'M AFTER.

Don't worry. Just contact us and let us know which vase you would prefer with the collection you have in mind. We are more than happy to accommodate your requests. All vases can be found from our inventory and they look great with every collection.
